The **ENCORE**  
 auto

A superb choice for the smaller company or location requiring a highly cost effective drinks solution. Featuring superb good looks and a simple to use push button selection system, the Encore Auto can be installed in just about any location and with an absolute minimum of fuss.

Drink selection is simplicity itself with an incredibly user friendly push button system. Indicator lights guide the user through every step of making their chosen drink.

Encore Auto (shown here in optional PG Tips livery) with matching base cabinet

Encore Auto partnered with the WaterBoy rehydration station

## DRINK SELECTION

This compact, semi-automatic machine provides users with a choice of 5 delicious in-cup drink selections and has a total capacity of almost 200 cups.

An extremely convenient, electronically controlled, internal sugar dispenser is also provided, allowing users to serve drinks perfectly matched to their own taste preference.

Encore Auto partnered with the SnackBreak MINI (both pictured here in optional Kenco livery) - the ideal "pick me up" station

Encore Auto partnered with the IceBreak can dispenser - a superb total refreshment solution

## OTHER FEATURES
